REMARKS

The present application was translated from German to English for national stage entry. The primary purpose of this Preliminary Amendment is to eliminate multiple claim dependency appearing in the translated application and to insert headings according to U.S. practice.

If the Examiner has any questions, or considers that an interview with Applicants' attorneys would expedite prosecution of this application, he or she may contact George Snyder at the number provided below.

Respectfully submitted,  
SIMPSON, SIMPSON & SNYDER, L.L.P.
